Subject: Professional Communication & Ethics.

Q.1.B. Grapevine channels carry information rapidly. As soon as an employee gets to know some confidential information, he becomes inquisitive and passes the details then to his closet friend who in turn passes it to other.

2) The managers get to know the reactions of their subordinates on their policies. Hence, the feedback obtained is quick compared to formal channel of communication.

3) The grapevine creates a sense of unity among the employees who share and discuss their views with each other. Thus, grapevine helps in developing group cohesiveness.

4) It serves as an emotional supportive value.

5) The grapevine is a supplement in those cases where formal communication does not work.
