Subject: Asking for replacement of
defective books

Dear Sir,

I am the library incharge of
V.E.S.I.T College. Our college ordered
for 100 copies of 'The fundamentals
of physics', from on 10th August
2021. The delivery was received
on 14th Aug 2021. It was found
that ~~am~~ 20 of those books does
not have chapter 3 in it.

It is missing from the books.

It seems that there has
been a printing error or the
order has been mishandled.

Your store is a leading dealer
of books in market here and has
a good name. Hence I request
you to replace these books with
good one.
