Q 7 B) ~~7] The~~ Drawbacks:

- 1] The grapevine is not trustworthy always as it does not follow official path of communication
- 2] The grapevine leads to making hostility against the executives.
- 3] The grapevine carries partial information at times as it is mainly based on rumors.
- 4] The productivity of employees may be hampered as they spend more time talking rather than working
- 5] The grapevine may hamper the goodwill of organisation as it may carry false negative information about high level people of organisation

Despite of drawbacks of grapevine communication it is still prevalent because it channels information rapidly which results quick. One of the most important benefit is that it keeps employees updated. Therefore, it still prevalent in most organisations.
