Q1.

B.

The reasons are as follows:

1> The grapevine is an effective way in which formal communication don't work.

2> Grapevine creates a sense of unity among the employee to discuss their view with each other

3> The grapevine serves as an emotional support to the employees.

4> The manager gets to know the reaction of their subordinates. Thus feedback obtained is quick.

5> It carries information rapidly. All leaked confidential information spreads rapidly

Thus, grapevine communication is still prevalent in most organisations.
